Subject: Confirmation of Validity and Transfer of Certifications

Dear Sir/Madam,

We hereby confirm the continued validity of our current certificates for Paardekooper Packaging BV at Meerkamp 5 in Den Hoorn. Specifically, this concerns the following certifications: BRC S&D, FSC, ISO 9001 and ISO 14001.

We would like to inform you that the new organization, Paardekooper Packaging, has fully taken over these certifications and the underlying quality and management system and will continue to apply them.

Our company is currently in active discussions with the relevant auditing organizations to officially register the certificates in the name of Paardekooper Packaging. This name transfer process requires some administrative processing time; the organizations (DNV and Preferred by Nature) have indicated that they will need a few more weeks to complete this.

Until the new certificates with the changed name have been issued, the current certificates will remain valid. The continuity and integrity of our quality system will remain unchanged.

We trust that this information is sufficient. If you have any questions regarding this announcement, please do not hesitate to contact us.

Kind regards,

QeSH afdeling Paardekooper Packaging B.V.
